of wall surfaces has now become one of the Fine Arts. The combination of fine color effects with good designs is requisite to the completion of good work. To meet the demands of the present time, the manufacturer must spend no effort in procuring the best talent at command.

## THE BIRGE TAPESTRIES

LARGE decorative pictures in low tones of colors, reproducing the effect of the Ancient Wall Tapestries, are very appropriate for the interior ornament of many modern dwellings. They can be fitted to almost any size of wall space, and are immensely decorative.

The Birge Leathers are reproductions in a specially prepared paper of old Cordova and Venetian leathers. They are superb for Dining-rooms, Halls, Libraries, etc. Ask your decorator for them.

Patented and Made  
only by

**M. H. Birge & Sons,**  
BUFFALO,

Every roll marked with their name or trade-mark.

## Fashion and Silks.

The genius and intelligence of Silk manufacturers are now receiving the unqualified endorsement of "Fashion." Silk fabrics are, to a greater or less degree, necessary in all the modern costumes.

The different weaves are very numerous and very seasonable. Taffeta Glace, Taffeta Chameleon and Changeable Surahs, for Petticoats and the Foundation of Lace and Gause Dresses, are shown in a variety of combinations and qualities, both in Plain and Pekin effects.

In China and Japan Silks, the style and colorings are very novel and beautiful. The Changeable Grounds with White Figures, and Dark Grounds with Changeable Figures, are very handsome and much sought for.

We will cheerfully send samples and quote prices on request.
